1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) The right to vote is a fundamental right.

4 (2) Due to logistical, geographical, operational
5 and environmental barriers, military and overseas
6 voters are burdened by many obstacles that impact
7 their right to vote and register to vote, the most crit-
8 ical of which include problems transmitting balloting
9 materials and not being given enough time to vote.

10 (3) States play an essential role in facilitating
11 the ability of military and overseas voters to register
12 to vote and have their ballots cast and counted, es-
13 pecially with respect to timing and improvement of
14 absentee voter registration and absentee ballot pro-
15 cedures.

16 (4) The Department of Defense educates mili-
17 tary and overseas voters of their rights under the
18 Uniformed and Overseas Citizens Absentee Voting
19 Act and plays an indispensable role in facilitating
20 the procedural channels that allow military and over-
21 seas voters to have their votes count.

22 (5) The local, State, and Federal Government
23 entities involved with getting ballots to military and
24 overseas voters must work in conjunction to provide
25 voter registration services and balloting materials in
26 a secure and expeditious manner.
